Dear Mr. Davis:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) modified request (GSA-2015-001067), dated August 17, 2015, in which you requested the following:

“The completed repairs invoices for all passenger vehicles (cars and pickups) during 2013 and 2014 for zip codes 60002, 60099, 60083, 60087, 60031, 60085, 60064, 60045, 60015, 63211, 53215, 53210, 53222, 53226 and 53224.”

Enclosed please find the documents responsive to your request. These documents include the detailed repair information for the requested zip codes in 2013 and 2014. GSA maintains its repair records in a Fleet management system. The information only includes GSA-leased vehicles, which account for approximately one-third of the Federal fleet. The remaining two-thirds of the Federal fleet are agency-owned or commercially leased vehicles and repair information is captured by each individual agency.

This completes our action on this request. Should you have any questions concerning this matter, please contact Mr. Daniel Reichmann at 703-605-2950 or by email at daniel.reichmann@gsa.gov.

Sincerely,

Travis S. Lewis
FOIA Program Manager
